

OSU Master Gardeners Douglas County
Master Gardener™ Pavilion Series
Free classes for home gardeners! Every third Thursday of the month!

Compost Happens: Learn how to turn your food scraps into fertilizer

Composting is a great way to turn your food scraps back into garden fertilizer. Join us at the pavilion this month to learn how to turn your leftovers into food for the garden. This class will be taught by OSU Small Farms Coordinator Logan Bennett, and will focus on how to take what you already have, and turn it into a working compost pile.

Contact Logan Bennett for questions:
